

Pennies with Purpose

A penny coin means as much to us now as it did years ago.

We have special canisters with a slot on the top for you to drop all your pennies into. Of course we also accept other loose change!

Our full canisters will hold \$12 worth of pennies.

We have been lucky to receive canisters with larger coins, and even some crisp bills that came to a total of \$75!

The purpose, of course, is to help the many families who come to stay with us while their child is in the hospital.

We have canisters available
Stop by our house to pick some up today!

Save Your Pull Tabs for Us

You can make a difference in the lives of the families at the Pasadena Ronald McDonald House. A small, yet significant way companies, schools, organizations, families and individuals can become involved is to "pull" for the Pasadena Ronald McDonald House.

Anyone may collect Pull Tabs and bring them here to our Pasadena location, 7 days a week, preferably between 9:00am and 9:00pm. Tabs of all sizes can be from soda, cat and dog food, food cans, tennis ball canisters, etc. Tab collection canisters are available at the House, or use any clean container of your choice.

FUN FACTS:

It takes 1,267 pull tabs to make a pound
1 million pull tabs, laid end to end, is 16 miles long
1 million pull tabs, when recycled, will provide a nights lodging for 25 families at the Pasadena Ronald McDonald House!

One tab on its own may not be worth much, but if we all "pull together" we can make a difference!
